Subject: Demand for Small Mine Reclamation Contract, Michael S. Provstgaard,
Lost Sheep Mine Site, S/023/029, Juab County, Utah

Dear Mr. Provstgaard:

The Division has previously sent two written requests for the completed, signed and notarized reclamation contract. The deadline for Division approval of the reclamation surety was December 8, 2006.

Please submit this document immediately. If there is a reason you are not committing to signing this document, you must send a letter to the Division providing an explanation.

Failure to furnish and maintain reclamation surety may result in permit withdrawal, after notice and opportunity for board hearing, cessation of mining operations, and/or requirement to reclaim all lands affected.

Please direct inquiries and correspondence to Ms. Beth Ericksen, Minerals Surety Coordinator, (801) 538-5318 or bethericksen@utah.gov.

Sincerely,

Daron Haddock
Permit Supervisor
